

Making Puppets

Puppets promote real communication tasks as children attempt to discover the names, ages, likes and dislikes of puppets made by other learners.

A) Tell the children that they are going to make finger puppets.

B) Give each child rectangles of white or coloured papers and some markers.

C) Ask your pupils to draw: 'funny faces', 'themselves' or 'their favourite character' on the rectangles and stick them on their fingers.

D) Encourage the children to talk directly to the puppets.
