

# MUSICAL BINGO

To practise listening comprehension  
To match songs with their names

## LANGUAGE FOCUS

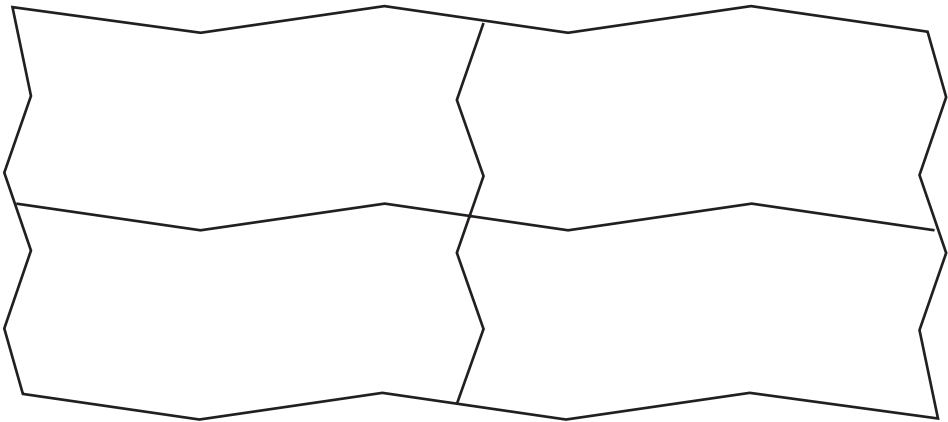

General Vocabulary

## MATERIALS

A tape recorder or CD player  
At least 10 different songs  
recorded in cassettes or CD's  
Pencils or pens  
Small pieces of paper

## PLAYING THE GAME

- ❖ Choose at least 10 different songs known by your students.
- ❖ If possible, have them recorded in the same cassette or CD.
- ❖ Give your students a copy of the following grid:

- ❖ Your students should write the name of a different song in each box or draw a picture related to it.
- ❖ Start playing the songs. When the students listen to the songs they have chosen, they have to cover the name or picture with a small piece of paper.
- ❖ The first student to cover all the spaces calls BINGO and is the winner.
